PRICE STRUCTURES

Prices are per cartridge actually refilled, not per colour or quantity sent in for refilling: If you send 5 cartridges to us but only 3 of them are in a suitable condition for refilling then you will be charge the price for the actual quantity of cartridges that are refilled. Before sending cartridges, please refer to the cartridge list on the web site, or check with us on the number below, to ensure that your cartridges can be refilled.

1 x cartridge = £10.20 / 2 x cartridges = £17.34 / 3 x cartridges = £22.44 / 4 x cartridges = £24.48 / 5 x cartridges = £25.50 Prices include VAT at 17.5%. More than 5 will be charged at 50% off the single cartridge price of £8.68+VAT, which is approximately £5.10 each. There will be a £1.90 charge for postage when returning your cartridges.
